Trish,

Chief Hicks and I have reviewed the submitted application and recognize that the request is consistent with the current Town of Natick Taxi and Livery Policy. However, this request is very unique particularly given that the target ages the petitioner is seeking to transport (6-17). That said, we have reservations on recommending approval of this application and would ask that the BOS, as the Licensing Authority for the Town of Natick, consider similar language in their policy that the Ride Sharing Services have adopted that require persons under 18 to be accompanied by an adult.

Respectfully submitted,

Lt. Brian G. Lauzon
