

LYFT

Children (17 and under)

Children are not permitted to ride alone in a Lyft vehicle, but are welcome to join you in a ride.

We're happy to give kids a ride as well as adults, as long as your children have the proper car seats that fit legal requirements according to state or city law. You should plan on providing your own car seat for children that require one.

4. Access and Use of the Services

User Accounts.

In order to use most aspects of the Services, you must register for and maintain an active personal user Services account ("Account"). You must be at least 18 years of age, or the age of legal majority in your jurisdiction (if different than 18), to obtain an Account, unless a specific Service permits otherwise. Account registration requires you to submit to Uber certain personal information, such as your name, address, mobile phone number and age, as well as at least one valid payment method supported by Uber. You agree to maintain accurate, complete, and up-to-date information in your Account. Your failure to maintain accurate, complete, and up-to-date Account information, including having an invalid or expired payment method on file, may result in your inability to access or use the Services. You are responsible for all activity that occurs under your Account, and you agree to maintain the security and secrecy of your Account username and password at all times. Unless otherwise permitted by Uber in writing, you may only possess one Account.

User Requirements and Conduct.

The Service is not available for use by persons under the age of 18. You may not authorize third parties to use your Account, and you may not allow persons under the age of 18 to receive transportation or logistics services from Third Party Providers unless they are accompanied by you. You may not assign or otherwise transfer your Account to any other person or entity. You agree to comply with all applicable laws when accessing or using the Services, and you may only access or use the Services for lawful purposes (e.g., no transport of unlawful or hazardous materials). You may not in your access or use of the Services cause nuisance, annoyance, inconvenience, or property damage, whether to the Third Party Provider or any other party. In certain instances you may be asked to provide proof of identity to access or use the Services, and you agree that you may be denied access to or use of the Services if you refuse to provide proof of identity.
