YOUR INPUT IS VALUABLE.
If you are unable to attend the forum, please feel free to email the project team: kennedyproject@natickps.org

Dear Members of the Natick Community;

The Kennedy Middle School Building Committee (KMSBC), for the Natick Public Schools, invites you to participate in the second community forum for the Kennedy Middle School Feasibility Study. Details for this forum are listed below:

Kennedy Middle School Building Project, Community Forum
TUESDAY OCTOBER 10, 2017
7:00 PM to 8:30 PM
Kennedy Middle School, Auditorium

This is the third public forum—in a series of forums—that will focus on helping the community understand feasibility options for the proposed building project.

UPCOMING FORUM

- *Tuesday, October 10, 2017 @ 7pm — RECOMMENDED SOLUTION: Understanding the proposed solution*

PAST FORUMS

- Wednesday, May 31, 2017 — LISTENING: Gathering community input
- Wednesday, July 12, 2017 — ALTERNATIVES: Understanding the feasibility options ([Watch the Facebook Live Broadcast](#))

The KMSBC will consider the broadest range of options and possibilities to address the operational and educational constraints of the John F. Kennedy Middle School. This forum and the subsequent forums play a vital role in that process. Please attend and share your thoughts, ideas, and suggestions.

Your feedback and input are important. We hope you are able to attend this forum. We look forward to working cooperatively with the Natick community on this great opportunity to develop a solution for upgrading Kennedy and ensuring our educational objectives are met, while also addressing much-needed building systems and infrastructure issues.

If you're unable to attend the meeting, you can watch the meeting on Facebook Live by visiting the Natick Public Schools page (www.facebook.com/natickps).

Should you have questions or comments, email the project team: kennedyproject@natickps.org.

Keep up to date with the building project by visiting the project site: bit.ly/kennedynps.

Sincerely,
Peter Sanchioni

Superintendent
