RE: Community Services Advisory Committee Sponsorship Program
DATE: 13 September, 2017

The Community Services Advisory Committee (CSAC) has completed one of its priorities; that of developing a policy, criteria and application materials for Natick groups seeking sponsorship status at the Community-Senior Center.

Attached please find a copy of the draft application materials as well as a summary authored by the Chair of the CSAC for your use and review.

It is the hope of the CSAC as well as Departmental staff that the policy is received positively by the Board of Selectmen.
