RE: Information for Selectmen's Meeting September 18, 2017

+++++

I will be asking the Board of Selectmen to accept a donation made to the Council on Aging from Ms. Sue Shea, Natick Ma.

Ms. Shea has generously donated \$5,000.00 to allow the Council on Aging to expand its cultural programs. The donation will directly support excursions to local museums in Massachusetts as well as presentations by local artists and/or groups.

The funds are to be deposited to the Senior Center Gift Account
2393/104000.
