Trish,

I have spoken to Chief Hicks and we both agree that we are not going to recommend to the BOS that they approve this request. The Crowne Plaza currently has a 1am inn-keepers license unlike the other local all alcohol establishments that have a midnight closing. Granting of an extra hour to those local establishments that have a midnight closing, allowing them to bring in the New Year with their patrons, makes perfect sense to us. Allowing the Crowne Plaza to stay open an extra hour beyond 1am does not. We would like to remain consistent here especially on a patrol shift (midnight-8am) that we traditionally see more calls for service.

Respectfully submitted,

Lt. Brian G. Lauzon
