Could we please request an item to be included on the agenda of the next Selectmen meeting for them to vote to accept the Safety Training Grant?

The Grant Administrator at the Commonwealth's Executive Office of Labor & Workforce Development is requesting a vote of acceptance by the Selectmen and to authorize the Town Administrator to sign the standard state contract.

The Grant award is for \$25,000 to be used to provide several safety training sessions for all of the Public Works Department staff.

Specifically the grant will fund:

- Three sessions of OSHA 10 Hour Safety Training for all DPW staff
- One session of OSHA 30 Hour Safety Training for Foremen and Supervisors
- Bucket Truck Safety Training Class (including Electrical Hazard awareness)
- Confined Space Awareness Training Class
- Competent Person - Trench & Excavation Training Class
- Administrative costs (refreshments at classes, etc.)

Thanks,
Jeremy

Jeremy, would this work on the consent agenda or do you want to attend?
