Hi Donna,

Here is the information that you requested for the one-day liquor license.

On February 10th, 2018 the Natick Rotary Club is holding an event to help raise money to benefit the Natick Rotary Charitable Corporation's Opioid Fund. The event is being held at the Natick Community/Senior Center from 6-9 p. m. We were hoping to have a cash bar for the event offering beer and wine for purchase during the event. We have arranged for TIPS certified servers to work the bar and tickets would be purchased for the drinks so as to not handle cash at the bar. We are anticipating between 125 and 150 people for this event and have spoken with Lt. Lauzon of the Natick Police Dept. who is aware of our event and we will work with him further to determine if a detail is necessary for the event. Chief Hicks will also be in attendance.

As you may be aware, the Rotary Club of Natick has been working closely with the Town of Natick Opioid Task Force and the Police Department to help support their efforts in fighting opioid abuse through donations of time and money. We are very excited to be holding this community event to help raise both money and awareness of this critical issue facing our town.

I am also attaching a copy of our invite for your records. Also, I saw online that there is a fee that needs to be paid. I can drop a check off tomorrow if that is necessary.

Thank you for your help.

Eric

Hi Eric,

We do need more information such as where the benefit is being held, by whom, hours of the function, # of attendees, police detail?, etc.

Joey Gagliardi asked me to reach out to you to request that we be placed on the calendar for the January 29th selectman's meeting to secure a liquor license for our benefit dinner on the 10th. Do you need anything else from me at this time? Is there an application or should I put together a more formal letter? I am also able to attend the meeting if needed in case there are any questions.
