Hi Mariel. We are going to have to move this to the 9/17 agenda because the application states "live entertainment" and the selectmen will want more details on this and for someone to attend the meeting. Can we have more specifics on what type of live entertainment they are considering?

Trish,

I will get more information from our client about this. Could you please give me the time and location so we can make plans to attend?

Kind Regards,

Do you have any specific information you're looking for regarding the live entertainment? The live music will be located near what would have been the patio area and the music selection would be classic rock/jazz/pop. As the application states, it will be 2-3 pieces on occasion for background music.

Trish,

I have reviewed this amended application and it now contains the information and restrictions that we were requesting, which primarily was that the live entertainment be inside the establishment due to limits of the very small exterior patio. That said, we would recommend that the BOS approve this request for an entertainment license for Anthony's Coal Fired Pizza.

Respectfully,

Lt. Brian G. Lauzon
