Hello! I am writing to request the closure of Whittier Road between Oxford and Orchard on Saturday, October 13th from 4-9 pm. Whittier Road has been recently resurfaced due to gas line replacement in the area. There is a final surface coat that needs to be applied but the street department cannot confirm a date that this may take place. If it is not feasible to have the block party on Whittier Road then we would like to request that Orchard Road between Whittier and Wellesley be the alternate location for the same date and time. Also - as a rain date alternative could we request the same locations on Sunday October 14th from 1-5? Please let me know if you have any questions or need any further information. If you can confirm receipt of this request it would be appreciated. Thanks very much - Jen Hall (36 Whittier Road)

Jennifer, I wanted to let you know that I spoke with the Director of the DPW. The final surface coat on Whittier Road is not anticipated to take place before the third week in October, and maybe later, so the request I will put on the agenda for the Board of Selectmen's approval will be for Whittier Road between Oxford and Orchard on Saturday, October 13th (RD: October 14th) from 4-8 PM (the Police Department will require that the road be reopened by 8:00 PM -- you had requested 9:00 PM). I will be in touch after the 9/17 Selectmen's Meeting to let you know whether or not your request was approved.
