Re: Eversource Electric – Grant of Location Richmond Road

Madame Chairperson & Members of the Board:

Eversource has requested a Grant of Location to relocate one (1) pole (77/6) on Richmond Road. The existing pole is approximately 164' north of Border Road. The pole is proposed to be moved approximately 4.4 feet south towards Border Road. This work is necessary to accommodate expansion of the driveway at 18 Richmond Road and has been requested by the resident.

As stated in Article 78 in the Natick Town Bylaws, no utility shall be permitted to install, construct, upgrade or replace any poles, overhead wires or associated overhead structures upon, along or across any public way or ways located within Natick unless the Board of Selectmen grants special permission.

The Engineering Division has reviewed the request and inspected the location for the proposed pole. The Division does not object to the proposed location of the pole if placed in accordance with the plans dated November 10, 2018 accompanying the petition.

Sincerely,

William E. McDowell, P.E.
Town Engineer
