

## Bishop Street

Daniel Greene of 377 Bishop Street Framingham taxes paid both to Natick and Framingham. Front door sits on Bishop Street back door faces Natick. House 50% Natick 50% Framingham majority of property is in Natick.

House is sequentially numbered for Framingham and has Framingham 911. Chief White felt by changing address we are creating more of a safety hazard. Public Safety facilities in Framingham are just down the street from property, Natick Public Safety would respond from West Natick Fire Department which is much further away, would require a longer response time from Natick.

Committee Take no action this is not a safety issue – potentially creating a safety issue by approving request.
