Hi,  
Thanks for chatting about our videotaping needs. Here are the details:

We are shooting a Rockland trust commercial at The Common Café, [9 South Main Street Natick](#), on 3/6 and 3/7. The shoot is inside the cafe, but we will have some lighting on the sidewalk shooting into the building, and may also need a couple of parking spaces out front.

( More of a consistency for the shot type thing, so when shooting out the window it looks the same). We will really be contained inside for the majority of the shoot, but lighting will be necessary from outside in.

I am with Cramer Productions in Norwood ( you may know us from the Jordan's Furniture commercials) , the vendor hired by Rockland Trust Bank. This is a local TV spot, hence the local fee; and flair of Natick.

Anything you can do to help us would be greatly appreciated. If we had know this was the location sooner. I would have notified you. Really hoping you can help with this.

Thanks so much !

Brian, Leah told me she spoke with you. Do you have recommendations?

Trish,  
Recommend approval with the request that the petitioners agree to hire one police detail to manage the pedestrian access to the walkway. Additionally, the petitioner should maintain communication with me as the production date approaches.  
Respectfully,  
Lt. Brian G. Lauzon
