Good Morning Board of Selectman,

It is with great pleasure that we invite you to join us for the groundbreaking ceremony, in celebration of the Kennedy Middle School building project, on **March 27 from 10:00 a.m. to 11:00 a.m. at Kennedy Middle School.**

State, district, and school officials, along with special invited guests and members of the community will meet in the front landing area of the Kennedy main entrance to hear remarks from various project leaders and supporters, a performance by the Kennedy Chorus, and share in the ceremonial groundbreaking commencing the official start of construction activities for the Kennedy Building Project. You are receiving this letter because you are one of those important and special guests to the NPS.

Following the main event, there will be light refreshments in the main lobby of Kennedy where visitors can view renderings of the new school.

The new 182,000-square-foot building will be constructed to the west of the existing building allowing school to continue to function while construction occurs. Work will continue through the summer, with the final phase expected to wrap up in time for the 2020-2021 school year.

We are excited to get this project underway and share with you the vision for the new school. Many modern features to benefit students have been incorporated into the architectural design. **Please note, this event is rain or shine, and there will be seating for guests.**

Please send all RSVPs (or regrets) to Rose McDermott at rmcdermott@natickps.org. We look forward to seeing you on the 27th!

Sincerely,

Dr. Anna Nolin
Superintendent of Schools
Natick Public Schools
Best,

Rose McDermott
Executive Assistant to the Superintendent, Dr. Anna Nolin
