

MEMORANDUM

To: Natick Board of Selectmen
From: Josh Ostroff, Chair, CRT Advisory Committee, Transportation Advisory Committee
Date: March 14, 2019
Re: Transportation items for March 18 BOS agenda

cc: Melissa Malone, Town Administrator; Jamie Errickson, Director of Community and Economic Development; Jeremy Marsette, DPW Director; CRT and Transportation Advisory Committees

This memorandum will summarize the projects on which the Board will be updated at your meeting of March 18, 2019.

- Natick Center MBTA station update: we will provide a brief status on this project, which is between 60% and 90% design.
- Cochituate Rail Trail: we will have a short update on this project as it approaches construction.
- CRT-Natick Center MBTA station connection: see separate memorandum.
- CRT connection from Hartford street: The Board send a letter earlier this year to request that MassDOT initiate planning and convene a meeting with abutters, in collaboration with the Town. It is under review at MassDOT.
- West Natick MBTA station solar project: we have requested an update from the MBTA contractor and will report any news.
- 9/27 project: we will have an update.
- Bike Share update: we will have an update.
- Future agenda items: we may identify items for future BOS agendas.

Thank you for your time on Monday.
