**Re: West Natick Fire Station 4 General Bid Award**  
Tecton Project #: NTK-01-AR

Dear John,

After careful review of the provided documentation, including the Update Statement, Tecton Architects recommends awarding the general contract for the construction of the West Natick Fire Station 4 to Castagna Construction Corporation for a base bid of Twelve Million Two Hundred and Forty-Five Thousand Dollars, \$12,245,000.00. The committee will need to vote on the inclusion of the two alternates, Alternate 1: Dovetail Metal Deck at Forty-Two Thousand, \$42,000.00, and Alternate 2: Pocket Park at Fifty-Seven Thousand, \$57,000.00.

Sincerely,

Jeffery R. McElravy, AIA  
Principal
