Hi Brian. Recommendations on reserving parking on west side of Pond Street and bagging meters?

Trish,

Can we send this back to the applicant? The parking they are looking for is on the west side of "Park Street" not "Pond Street." We also need to narrow the time frame that the spaces are being bagged so that we don't have a negative affect on Everett's Funeral Home and other Natick Center business.

Thanks
Brian

Trish,

After reviewing and editing, and consistent with past years, we would recommend approval of this request. If the petitioner could reach out to me a week in advance so we can bag the approved meters at the appropriate time it would be appreciated. Also, since the Funeral Home has changed hands it is important that the petitioner stay in touch with

them regarding any wakes or funerals scheduled for that day. If I can be of any further assistance please have the petitioner contact me directly.

Respectfully submitted,

Lt. Brian G. Lauzon
