Re: Eversource Electric – Grant of Location Pinewood Avenue

Madame Chairperson & Members of the Board:

Eversource has requested a Grant of Location to install one (1) new pole (210/8) on Pinewood Avenue. This pole is approximately 50' north of existing pole 210/7 on Pinewood Avenue. This work is necessary to provide electric service to a new house being built at #22 Pinewood Avenue.

As stated in Article 78 in the Natick Town Bylaws, no utility shall be permitted to install, construct, upgrade or replace any poles and overhead wires and associated overhead structures upon, along or across any public way or ways located within Natick unless the Board of Selectmen grants special permission.

If the request is granted by the Board of Selectmen, the Engineering Division has reviewed the proposed location and does not have any objection to the Grant of Location as requested if done in accordance with the plans dated February 2, 2019 accompanying the petition.

Sincerely,

William E. McDowell, P.E.
Town Engineer
