Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?

I have lived in Natick for 30 years, and have always been interested in the history of the town. I own an historic 1870s era "factory worker's" house near the center of town. I am now serving as President of the Natick Historical Society, so there is a natural connection, I think. Steve Evers is a friend and also a member of our Board.
