Donna,

After speaking with the applicant we would recommend that the BOS, acting as the Licensing Authority for the Town of Natick, approve this request. I have spoken to the applicant regarding where their alcoholic beverages need to be purchased from (approved wholesale agent.) We would further recommend that the applicant be required to submit to my attention, in advance, copies of approved alcohol beverage served training certificates for any and all bartenders working this event and that would be in conformance with the Town's regulations.

Respectfully,

Lt. Brian G. Lauzon

Hello,

My name is Gretchen Burgholzer, I work at ABI-LAB in Natick! We are hosting a biotech networking event at our facility on February 26 at our 22 Strathmore Road facility. I have attached our application for the one-day liquor license. Let me know how I can be of assistance in this process.

Thank you,
Gretchen
