

Hello,

Below please find the proposed routes developed with Sergeant Lauzon from Natick PD for our Senior Parade (see attachments). Details are as follows: about 75-80 NPS staff involved. They will all be in their own cars wearing masks the whole time. Each route has an A route for the first 30 minutes and a B route for the second 30 minutes. We will invite drivers to show up any time after 1:00 pm to their starting location. We will have supplies available to decorate their car. Each route will be led by two police cars, and Fire will join as well. People in each group can say goodbye at one of the three endpoints-- all social distanced and wearing PPE. The parade goes from 2-3 pm on Friday, May 29th with a rain date of June 1st.

Thank you to Jim White and our police partners for working with us to honor our Seniors in this manner. We seek the proper permit for this event from the Board. Please let me know if you need anything else.
