RE: License Application for extension of premises

Meeting Date: June 24, 2020

Please find attached materials in support of two applications for extension of premises to allow outdoor service of alcoholic beverages. These are for the Buttercup restaurant and Trend Pure Asian Cuisine. The Temporary Outdoor Dining Review Committee reviewed both applications and unanimously approved both with recommendations for the Board to grant licenses to each for extension of outdoor service.

The Committee also reviewed and approved two other applications for outdoor dining that did not include alcohol service: FreshCafe on East Central Street and Station 5 on Watson Street.
