*RE: Crack Sealing MAPC – Town of Natick*

*NOTICE OF EXERCISE OF FIRST OPTION FOR RENEWAL*

Dear Sir/Madam:

As you are aware, the Town of Natick, Massachusetts and Markings, Inc. are parties to a contract for the procurement of crack sealing, which was through the Metropolitan Area Planning Council (MAPC) ("Contract.")

The Natick Selectmen awarded a contract for one (1) year in January 2020.

Article 5.1 of the Contract provides for an initial term, with options by the municipality to renew through December 31, 2021, and again through December 31, 2022.

By vote of the Natick Select Board, on November 18, 2020, the Town of Natick has extended, and has made effective, the term of the contract, such that it will run from the execution of the contract and will expire December 31, 2021. Nothing herein shall affect the ability of the Town to exercise its second option at a later date.

All provisions of the Contract shall remain in full force and effect during this option period.

Thank you for your consideration.

Very truly yours,

The Natick Select Board
