Our Shared Public Health Responsibilities

Community members who have disregarded public health and public safety measures during this heightened phase of the pandemic are endangering us all. This holds true regardless of the reason for the unsafe behavior – whether it was to attend political events, to celebrate a holiday, or for any other reason.

We urgently call on everyone who lives, works, or spends time in Natick to follow travel, distancing, and quarantine rules, and to wear a mask. We strongly support the Director of Public Health and the Board of Health in their efforts to enforce these measures as they see fit.
