Thank you Joan - I apologize for not stating that our annual Tour de Natick bike ride will be virtual again this year so we just need the banner (6/7-20 would be great) and permission to put 50+ "sponsor" signs (18"x24") on the common on Father's Day).

Thanks for your help!

George

Mr. Richards,

Just to add some context - The police department has not yet allowed bike rides, parades, etc. (as of this week) even with the recent change of the Governor's orders. This may change at any moment. However, as of this past Monday, the ALS Trek bike ride has not been given appropriate recommendation from the PD. I just want to make sure we all have our ducks in a row before moving forward.

Thanks again,

Joan

Hi Mr. Richards,

The week(s) we have available now is the week beginning June 7th. I can't quite remember this event from before as I handle all of these events as of 2020 and Donna handles other things in our office. You could hang the banner June 7th through the 20th if you send me that specific request in writing over the next few days. I do have a quick question - is this an event that is outdoors and involves the gathering of people that requires a recommendation from the Natick Police department? If so, have you already gone through that process?

Thank you,

Joan

Hi Andrea:

I hope this email found you, your family and staff all well!

On behalf of the Natick Rotary Club, I am again requesting permission from the Select Board to hang a banner downtown for one week prior to the event (assuming 2 weeks is not an option) and would like to have it hung either the week of May 31st or June 7th but if not available, we would request the week of June 14th?

Please let me know if you need any additional information.

Thanks in advance,

George

Hello,

I have taken over Linda's job at the Recreation and Parks Department, I wanted to introduce myself. I am Andrea Verdelli, lifelong resident of Natick, and it is a pleasure to meet and work with both of you.

As far as I know, I will need to submit a memo to the Board of Selectmen requesting approval of your banner to go over the street and use of the Common. Once approved, should I reach out to both of you?

Please feel free to contact me with any questions or concerns.
