Town of Natick
Human Resources
13 E. Central Street
Natick, MA

Enclosed please find my resume and references for the position of Comptroller. I began my career in municipal accounting in 2003 as a part time clerk for the Town of Northbridge. Over the years, I moved to a full-time clerk, followed by Assistant Town Accountant. In August of 2019, I accepted the position of Town Accountant in Uxbridge.

I have attended trainings and seminars relating to municipal law and finance and I am currently scheduled to take the Massachusetts Municipal Accountant exam to obtain my certification in May.

I look forward to hearing from you to discuss my qualifications and experience further.

Thank you for your time.
