

Town of Natick
Transportation Advisory Committee

**Public Information/Input Meeting
Route 9/27 Interchange Improvements Project**

Thursday, June 10, 2021, 7:00 PM

(The Transportation Advisory Committee meeting will begin at 6:00)

MassDOT proposes to design and construct a Modified Diverging Diamond interchange to replace the existing 1931-vintage cloverleaf. The proposed design is intended to improve safety and travel conditions for all modes. Local and regional participation at this information/input meeting is welcome.

**A presentation by MassDOT and Greenman-Pedersen, Inc.,
will be followed by public comment/Q&A**
