Karen Adelman-Foster, Chair  
Natick Select Board  
13 East Central Street  
Natick, MA 01760

Dear Ms. Adelman-Foster,

On February 25, 2021, in Executive Session the Natick Conservation Commission voted unanimously to support the land conservation of the property located at 82 Rockland Street under the Town's right of first refusal option. The Conservation Commission suggests the Select Board consider avenues for funding the acquisition but does not suggest utilizing the FAR Stabilization funds for this project.

Thank you for your consideration of this matter.

Sincerely,
