TO: Natick Select Board

SUBJECT: CONTRACT AWARD
Surveying Services for the Development of Street Acceptance Plans
in the Town of Natick

Informal, non-written pricing by DPW reveals that DGT Associates is the ideally competitive firm to perform surveying services for the development of street acceptance plans in the Town of Natick.

State statute exempts the procurement of these types of surveying services from the Uniform Procurement Act, M.G.L. c. 30B. See M.G.L. c. 30B, §1(b) (32A), which exempts the services of architects, engineers, and related professionals. As provided by the Office of the Inspector General in its Procurement Bulletin from December 2010: “Related professionals” are professionals engaged in providing services that may include land surveying, landscape architecture, environmental science, planning and licensed site professionals.’

<https://www.mass.gov/doc/procurement-bulletin-december-2010-vol-16-4/download>. Hence, such surveying services are exempt services of “related professionals.”

(Parenthetically, the Designer Selection Law, M.G.L. c. 7C, §§44 *et seq.*, does not apply, since no vertical structure is implicated.) Essentially, therefore, there is no statutorily-prescribed procurement process that would govern.

DGT Associates is a responsible and responsive firm and has offered what DPW considers to be a reasonable sum for the purposes.

We respectfully request that Natick Select Board award DGT Associates, a contract, in the form of the attached, to perform the services outlined in Attachment A1 to the Contract, at the hourly rates for a sum not to exceed \$100,000.00 for such services, plus expenses as outlined therein.

The funding to cover this comes from the following sources:
