

June 4, 2021

Mr. Michael Hickey Jr., Chairman
Natick Board of Selectman
13 East Central Street
Natick, MA 01760

Dear Mr. Hickey,

I am reaching to you and The Board or Selectman to request permission to hang a banner in Natick Center that will be announcing the 21st Annual Flutie 5K to be held on Sunday, September 12th 2021 at 9:00AM.

This is one of Eastern Massachusetts' best family events, supporting the Doug Flutie, Jr. Foundation for Autism, one of the region's most generous and effective autism advocates. The Flutie 5k has raised \$1,000,000 over the years to support educational, therapeutic and recreational interventions for people living with autism. Pending COVID-19 guidelines and regulations we hope to attract 1000 runners and walkers this year. *specifics to be adjusted as warranted or as needed*

With the Board's approval, I will like to request one of the weeks listed below for display of the banner. The weeks are listed in preference order.

- Monday, August 23rd - Monday, August 30th
- Monday, August 30th - Monday, September 6th

The Doug Flutie Jr, Foundation is fully insured and we will provide the Town with a certificate of insurance naming "The Town of Natick" as insured once the date is approved. I will also be providing certificates of insurance to both Fair of Fair & Yeager Insurance and JBG Corporation for the week the banner is approved for.

Thank you again for your time and willingness to support this race.

Sincerely,

Jennifer Joyce
Race Director
