Joan,

After review, and consistent with past like events at TCAN, we would recommend approval. If we could ask that Mr. Valentine reach out to me the day before as a reminder it would be helpful even though we will post the event and associated logistics on our internal calendar and give the details to our parking enforcement officers to provide the requested assistance.

Respectfully,

Hi Brian,

Kindly see attached request from Center for the Arts for July 17th which is requesting to occupy a public way and to reserve spaces.

Could I kindly get your recommendation for our agenda for July 14th.

Thanks so much,

Joan
