

Town Selectmen:

Thank you for taking the time to read this communication. We would like to take whatever steps are necessary to put our streets on the Accepted Roads list as our roads are in need of comprehensive repair.

We have spoken to Tom Hladick in the Highway and Sanitation division and he has advised us to start with you.

Roads are tied to our collective safety and property values. The current state of our roads is a real concern for the 18 homeowners residing on these streets as we have watched them steadily degrade with limited patchwork being accomplished to hold back their decline over the years.

If there are some first steps you could direct us towards so we can get this going we would greatly appreciate your support and guidance.

Thank you for your time and we await your response.

Best Regards,

**Shawn Ferguson
