

Dear Natick Selectboard,

We, the homeowners of Pinewood Avenue and Hillcrest Avenue, request the Selectboard lay out our two streets as public roadways.

Our roads are in need of comprehensive repair; thus it is our wish they be added to Natick's list of Accepted Roads.

Roads are tied to our collective safety and property values. The current state of Pinewood Avenue and Hillcrest Avenue is a real concern for the residents of our neighborhood. Years of patching has not prevented the decline of these roads.

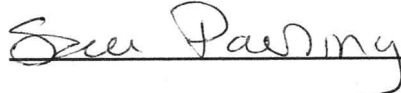

Thank you very much for your consideration.

Best Regards,

Liz Eichfeld
