WHEREAS, the Awardee intends to conduct, or is conducting, an infiltration/inflow ("I/I") reduction or sewer system rehabilitation project ("Project"); and

WHEREAS, the Awardee filed a Financial Assistance Application in which it furnished information about the Project to the Authority; and

WHEREAS, the MWRA will provide financial assistance to the Awardee for its Project under certain terms and conditions, hereinafter provided.

NOW THEREFORE, in consideration of the foregoing and the promises contained herein, the Parties agree that the Authority will provide and the Awardee will accept financial assistance under the following terms and conditions:

I. SCOPE OF SERVICES.

The Awardee has entered into or will enter into, within ninety (90) days of the execution of this Agreement, a contract with a consultant or contractor for sewer rehabilitation and/or I/I reduction services, in accordance with the Awardee's competitive procurement practice, and the scope of such work is listed in Attachment A.

II. FINANCIAL ASSISTANCE.

A. The Authority shall provide financial assistance ("Award") to the Awardee in the form of both a grant and a loan. The total amount of the Award shall be \$1,250,000 of which \$937,500 shall be in the form of a grant ("Grant") and \$312,500 shall be in the form of an interest-free loan ("Loan").

B. The Loan shall be governed by the attached Loan Agreement, which is incorporated herein by reference as Attachment C.

C. Upon execution of the Loan Agreement, the Authority shall initiate an electronic transfer for the total Award through the Automated Clearing House (ACH) having a pay date three business days after the execution date, including both the grant and the loan, to the following designated account of the Awardee:

MMDT Account No. 44226785 / Federated Account No. 1001415
Federal Tax ID No. 04-600-1237

D. The Authority shall not be obligated to provide additional financial assistance above the Award amount regardless of additional Project costs which may be incurred by the Awardee.

E. In the event that the Project is not initiated as outlined in the Project Schedule, the Awardee shall return the entire Grant to the Authority within ninety (90) days.

III. EFFECTIVE DATE OF AGREEMENT.

This agreement will not become effective until the Loan Agreement is fully executed.

IV. TERM.

The term of this Agreement shall begin upon the date of execution of this Agreement, including the execution of the Loan Agreement, and shall be in effect until the Awardee fully repays the Loan to the Authority in accordance with the terms of the Loan Agreement. As evidence that the final payment has been made, the Authority will send a letter to the Awardee indicating that the Loan has been discharged.

V. PROJECT SCHEDULE.

Implementation of the Project must begin within ninety (90) calendar days of execution of the Agreement, including the Loan Agreement, or all grant funds must be returned to the Authority. The Project must comply with the Project Schedule listed in Attachment B.

It is the obligation of the Awardee to obtain all licenses, permits, easements or any other approvals necessary to begin and successfully complete the Project.

VI. EXPENDITURE VERIFICATION REQUIREMENTS.

A. Throughout the completion of the Project Scope of Services, the Awardee shall submit progress reports to the Authority, on forms provided by the Authority, which outline the overall progress of the Project, the progress of key Project tasks, and the total Project cost expended to date. The frequency and schedule for progress reporting is outlined within the I/I Local Financial Assistance Program Guidelines. Progress reports shall be submitted to:

Massachusetts Water Resources Authority
Charlestown Navy Yard
100 First Avenue
Boston, MA 02129
Attn: Community Support Program

B. The Awardee shall append to each progress report information which documents eligible Project costs, including, but not limited to, consultant and/or contractor invoices; awardee labor, equipment, materials and other costs; and ancillary expenses. Time sheets and work summaries documenting any requests for force account work reimbursement must also be provided.

C. The Awardee shall exercise its best efforts to accomplish the Project set forth in the Scope of Services within the Award Amount established. In the event that an increase or decrease in the total Project cost is anticipated, or in fact occurs, the Awardee shall immediately notify the Authority in writing, and shall submit a status report including reasons for changes in Project cost, work completed to date, total dollars expended to date, and an estimate of the cost required to complete the Project.

VII. PROJECT INSPECTION.

Authority staff may periodically monitor the progress of work to insure that the Project is: (1) proceeding substantially as defined in the Scope of Services; (2) proceeding substantially within the Project Schedule; and (3) proceeding in a manner which will substantially produce the quantitative I/I reduction result which the Awardee estimated would be achieved in the Financial Assistance Application.

VIII. PROJECT CLOSEOUT PROVISIONS.

A. Upon completion of the Project, the Awardee shall notify the Authority that the Project is complete and shall certify, on a form provided by the Authority, that all work included in the Scope of Services has been completed and performed in accordance with this Agreement. The Awardee shall submit to the Authority a Project closeout package which shall include a summary of all Project expenditures and the final Project cost.

B. If the final Project cost meets or exceeds the Award, no revision to the Grant shall be made during Project closeout.

C. If the final Project cost is less than the Award, a revision to the Grant shall be made during Project closeout. The difference between the Award and the final Project closeout cost will be calculated and defined as the Project "Shortage Amount". The existence of a Project Shortage Amount will not affect the Loan repayment amount or schedule.

D. In the event that a Project Shortage Amount exists, the Awardee agrees to repay seventy-five percent (75%) of such Project Shortage Amount to the Authority. The Authority will send the Awardee a separate invoice for payment of the Project Shortage Amount forty-five (45) days prior to the next loan repayment date.

The Awardee, its engineers, and its contractors shall provide proper facilities for such access and inspection. All documents shall be kept for at least seven (7) years after either the final payment to the engineer or contractor or after the closeout of the Project, whichever is later.

B. The Awardee agrees to include the wording of Section IX A, above, in all contracts and subcontracts hereafter awarded to third party contractors, vendors and service providers related to this Agreement.

C. Audits conducted by the Authority, or its duly authorized representatives, shall be in accordance with generally accepted government auditing standards and established procedures and guidelines of the Authority. Such audits shall be conducted at the expense of the Authority upon ten (10) days notice to the Awardee.

D. The Awardee agrees to provide the Authority with a copy of the Awardee's annual audited financial statements within a reasonable time after the issuance thereof, together with a certificate of the Awardee stating that the Awardee is in compliance with its obligations under this agreement.

X. INTERACTION WITH OTHER PROGRAMS OF ASSISTANCE.

XV. CONTRACTING/SUBCONTRACTING.

The Awardee shall have no capacity to involve the Authority in any contract nor to incur any liability on the part of the Authority.

XVI. CHANGES TO SCOPE OF SERVICES.

The Authority and the Awardee may, during the course of the project, mutually agree to revisions in the Scope of Services or Project Schedule. Such changes shall be incorporated into this Agreement by written amendment.

The Awardee, its engineer(s), and its contractor(s) shall comply with all applicable laws and regulations pertaining to nondiscrimination, equal opportunity and affirmative action, including without limitation executive orders and rules and regulations of federal and state agencies of competent jurisdiction. Such obligation shall not be construed to negate or abridge any other obligation of indemnification running to the Authority which would otherwise exist.

XX. MEMBERS, EMPLOYEES NOT LIABLE.

No member or employee of the Authority shall be charged personally or held contractually liable by or to the Awardee under any term or provision of this Agreement or because of any breach thereof or because of its execution or attempted execution.

XXI. INTEREST OF AWARDEE.

The Awardee covenants that its Contractors, Subcontractors and/or Consultants presently have no interest and shall not acquire any interest, direct or indirect, in the property to which this Agreement pertains or any parcels therein or any other interest which would conflict in any manner or degree with the performance of its services hereunder. The Awardee further covenants that no person having any such interest shall be employed in the performance of this Agreement.

XXII. INTEREST OF EMPLOYEES; M.G.L.C. 268A.

Neither Awardee, nor its Contractors, Subcontractors and/or Consultants shall, during the term of this Agreement, hire or employ on either a full-time or part-time basis any person or persons so long as such person shall be employed by the Authority.

The Awardee acknowledges that the Authority is a state agency for the purposes of Chapter 268A of the Massachusetts General Laws (the Massachusetts Conflict of Interest statute). The Awardee agrees to take actions and to forbear from taking actions, as circumstances require, so as to be in compliance at all time with said statute.

XXIII. ASSIGNABILITY.

The Awardee shall not assign any interest, in whole or in part, in this Agreement and shall not transfer any interest in the same, whether by assignment or novation, without the prior written approval of the Authority.

XXIV. PAYMENT NOT A WAIVER.

The Authority's payment to Awardee under this Agreement or its review, approval or acceptance of any actions by Awardee under this Agreement shall not operate as a waiver of any rights under this Agreement and the Awardee shall remain liable to the Authority for all damages incurred by the Awardee's failure to perform in accordance with the terms and conditions of this Agreement.

The rights and remedies of the Authority provided for under this Agreement are in addition to any other rights or remedies provided by law. The Authority may assert a right to recover damages by any appropriate means, including but not limited to set-off, suit, withholding, recoupment, or counter-claim either during or after performance of this Agreement.

XXV. TERMINATION OF THE AGREEMENT FOR CAUSE.

If, through any cause, the Awardee shall fail to fulfill in a timely and proper manner its obligations under this Agreement (including performance of the Scope of Services and maintenance of the Project Schedule); or if it is determined that there is probable cause to believe that the Award was obtained on the basis of fraud, deceit, or illegality; or if the Awardee has failed to comply with the terms and conditions of this Agreement; the Authority shall hereupon have the right to terminate this Agreement by giving written notice to the Awardee of such termination and specifying the effective date thereof.
