SUBJECT: Natick Days 2021 Video
DATE: September 30, 2021
TO: Karen Adelman-Foster, Select Board Chair
FROM: Karen Partanen, Director of Recreation & Parks

On behalf of the 2021 Natick Days Event Committee, I would like to thank the Select Board for its support with this year's wonderful event. The weather was perfect, the crowds were smiling and the event brought great joy to those who attended.

I am providing you with a promotional video that highlights a bit of the Natick Days history as well as the success of the 2021 event. The committee respectfully asks if the Select Board would be able to premiere the video to our community at an upcoming meeting.

We, the Natick Days Committee, are very gracious for the time that resident Don Porter took to create this wonderful 3:18 minute video and feel a Select Board meeting would be a great opportunity for its debut.

Thank you for your time and please do not hesitate to reach out with any questions you may have for me.
