

**TOWN OF NATICK
FIRE CHIEF SCREENING COMMITTEE**

The Natick Select Board is requesting applications for the **Natick Fire Chief Screening Committee**. In accordance with Article 24, Section 15 of the Town of Natick By-Laws, one Natick resident will be appointed to the committee by the Select Board.

The Board's goal is to appoint a new Fire Chief ready to manage and lead the Natick Fire Department to the highest possible standards. To that end, the Select Board seeks a capable and inclusive screening committee. The Board has a special interest in hearing from diverse screening committee applicants, including screening committee applicants without previous municipal experience. The Board will look at all qualifications relevant to the tasks of the Screening Committee. These tasks include reviewing applications for the position of Fire Chief, planning for and conducting interviews, and participating on the Screening Committee to determine a list of finalists for the position of Fire Chief.

The Screening Committee will determine its own schedule and its own remote and/or in-person mode(s) of communication. Meetings are likely to be at night. Per the Town Bylaws, the Screening Committee will be dissolved after its tasks are complete, which must be no more than 180 days after the committee convenes.

Interested individuals should submit an application no later than October 6, 2021 via the following link:
