Interests & Experiences

Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?

I am interested in the town Zoning laws and the appeals process. Having been through the ZBA process in Natick and surrounding towns, I feel that I could contribute my knowledge as a builder and as a resident. I have been impressed with the process and the balance of various interests, and would like to be a part of that system.

Are you a graduate of the Natick Community Services Citizen's Leadership Academy?

Yes No

Please list any skills or specialized knowledge you can bring to these boards, committees and/or commissions.

I feel I have a good ability to see all sides of a question or conflict and find the areas of compromise between several parties. I have extensive knowledge of the residential remodeling industry.

Please list any professional affiliations.

Let us know what other specialized interests or hobbies you might have.

I have 3 children (11,9, and 5). We enjoy spending time in our lovely neighborhood, hiking skiing and golfing.
