Natick Farmers' Market Policies

Effective 1/1/2017

Natick Center Associate's Farmers' Markets are designed to bring local farmers and their produce and products to the community. No other produce is allowed except in special instances as approved by the market manager.

The Market Manager, at the direction of the NCA Board of Directors, has been assigned responsibility for determining who is appropriate to be added to the market and what products will add to the success of the market. **The Farmers' Markets will not conflict with any business in Natick Center.** A business from Natick Center can be featured each week.

What is allowed at the market:

In addition to produce, dairy products, breads, meat, fish, flowers, plants, coffee & wine, value added products are allowed if presented by the primary producer...i.e. jams made in a commercial kitchen by the person who designed the recipes or their staff.

Handmade crafts are allowed if presented by the artist or their representative, subject to scheduling by the Market manager.

Non-profit organizations may be part of the market if they serve the local community. Approval and scheduling shall be provided by the Market Manager.

A table for NCA members to display brochures, flyers, business cards and special offerings will be available.

What is not allowed at the market:

There shall be no resale or third party representation of product unless approved by the Market Manager.

There will be no mass produced products unless approved by Market Manager for special event or activity,

All food vendors must receive a permit from the Board of Health or they will not be allowed to participate. Regular food vendors shall provide a copy of their liability insurance policy.

Vendors at the market will display signage regarding the origin of the products (i.e. name of farm or value added producer) and appropriate product pricing/labeling. All vendors will comply with all Federal, State and local laws and regulations.

Food trucks will not be allowed as part of the Farmers' Markets unless part of a special event as approved by the Market Manager.

Should there be a grievance or complaint, the Market Manager will address it, individually, with one or more vendors or with the Natick Center Associates Board of Directors, the sponsoring organization. If appropriate, the Board of Health may also be involved with resolving the matter.
