Donna,

We would recommend that the Select Board, acting as the Licensing Authority for the Town of Natick, approve this request as it is consistent with past requests and approvals. Our only concern is the description of what the food arrangements being proposed are. Our recommendation is that food be readily available, and encouraged, throughout the event.

Respectfully,

Lt. Brian G. Lauzon

Subject: Natick Elks - New Year's Eve

To: <selectboard@natickma.org>

Dear Select Board,

The Natick Elks Lodge 1425 would like to hold a New Year's Eve Party on Friday, December 31, 2021 and would like to request extension of our liquor license by one hour.

We are planning to sell tickets for our party beforehand using both Eventbrite and in person at the Lodge. Ticket price will be \$20 which will include food as well as a complimentary 1oz champagne toast. Ideally the party will be from 7:30pm - 12:30am. Our kitchen committee will be cooking appetizers and finger-foods for the first few hours to make sure there is plenty of food to go around. Eclipse, a popular, local band will be our live entertainment on this evening. We have also already submitted a request to the Natick Police Department for a police detail that night as well. Alcohol service will end promptly at 12:30 allowing all patrons to finish their beverages and leave the Lodge by 1.

We would love to be able to raise a toast at midnight and therefore are requesting a one-day extension to stay open until 1am instead of closing at midnight. If there are any questions or concerns, please feel free to contact me. Thank you for your consideration.

Thank you,

Christine David
