Lt. Lauzon,

Thank you for your recommendation to approve our request to stay open an extra hour on New Year's Eve this year. I wanted to address your concern about food being available. We intend to have our kitchen committee prepare and cook food for the entire evening. While we are not serving a formal, sit-down meal, we will have a buffet line of items available until we close. Our kitchen committee has a reputation for preparing entirely too much food for an event; in this case, it will definitely work in our favor! The kitchen committee is coming up with a menu of appetizers and other small courses easier to eat while standing and socializing. I can assure you that food will be available throughout the entire event and we will have both staff and volunteer members encouraging people to indulge.

My cell number is 774-230-3012. Please feel free to reach out to me if you have any other questions or concerns.

Thank you,

Christine David
