To: Members of Natick Select Board

The Natick Republican Town Committee would like to submit the name of Anthony (Tony) Lista for appointment to the Board of Registrars to fill the remaining term of Elizabeth Yobaccio who recently resigned and to extend such appointment into the next three-year term to expire in 2025. We respectfully submit this sole candidate fully recognizing that it is preferable to submit three names for consideration. Furthermore, Tony has agreed to serve in this capacity for the aforementioned period of time.

Sincerely,

Patti Sciarra
