Article # 24	Date Form Completed: 03.24.2022
Article Title: Regional Center (RC) Overlay District	
Sponsor Name: Planning Board	Email: aloomis@natickma.org

Question	Question								
1	Provide the article motion exactly as it will appear in the Finance Committee Recommendation Book and presented to Town Meeting for action.								
Response	To see if the Town will vote to amend Section 323.1.5 of the Natick Zoning Bylaw to include uses identified under Section III - A.2.27A to be allowed in the Regional Center (RC) Overlay District; or otherwise act thereon.								
2	At a summary level and very clearly, what is the proposed purpose and objective of this Warrant Article and the accompanying Motion?								
Response	The Golden Triangle, an area of significant economic development opportunity for the Town, has a series of different zoning districts and zoning overlays. Several parcels are split zoned, and certain uses are limited to only portions of the Golden Triangle. The Amendment proposed in Article 24 would allow administrative offices, clerical offices, statistical offices, and establishments for research and development throughout Regional Center (RC) Overlay District. The RC Overlay District and the Industrial-I Zoning District would allow the Golden Triangle to allow office and research and development uses throughout, providing Natick with a competitive edge for establishing a live, work, play environment.								
3	Has this article or one of a very similar scope and substance been on a previous Warrant Article and what have been the actions taken by the Finance Committee, other Boards or Committees and Town Meeting?								
Response	Section 323.1.5 of the Natick Zoning Bylaw was last updated at Special Town Meeting in 2002
