	Town and to the sponsor(s)? Please be specific on both financial and other consequences?
Response	If the article is not approved, the Town exemption amounts would revert to the State of Massachusetts guidelines. Financially, that would mean the loss of the 62.5% increase voted in FY22 and would result in a decrease in the exemption dollars granted to each qualified applicant. For example, a veteran with a 100% disability would see a loss in exemption amount from \$1,625 in FY22 to \$1,000 in FY23 which is the state guideline. Non-approval of this article would result in significant tax increases to all qualified applicants. This will cause an unexpected financial hardship.
