Job Title

Applicants are encouraged to attend or read the minutes of several meetings of the body to which they are applying, if possible.

Which Boards would you like to apply for?

Sustainability Committee: Submitted

Are you a registered voter in the Town of Natick?☒ Yes ☐ No

Have you ever attended a Natick town meeting?☐ Yes ☒ No

Have you ever served on a board, committee, or commission in the Town of Natick?☐ Yes ☒ No

If yes, please list name(s) of board, committee or commissions, along with date(s) of service:

Interests & Experiences

Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?

I have always been interested in the local government process. As a young person that grew up in Natick, I know that maintaining the natural beauty and sustainability of the town is important for the quality of life of all residents. I don't think the committees need a change to how they operate. I think that they would benefit from different perspectives though, and I feel that as a 22-year-old I can bring a viewpoint that would be valuable.

Are you a graduate of the Natick Community Services Citizen's Leadership Academy?

☐ Yes ☒ No

Please list any skills or specialized knowledge you can bring to these boards, committees and/or commissions.

I have a bachelor's degree in biology that I feel would be valuable in determining if a proposal is sustainable. I also have practical work experience in environmental monitoring and remediation. My current employment is at a market research firm focused on companies in the water space, so I am familiar with the concerns of businesses as they relate to governmental procurement practices. I believe this combination of skills allows me to understand the environmental impact and the practical concerns of any issue brought before the committee.

Please list any professional affiliations.

Let us know what other specialized interests or hobbies you might have.

I am an amateur botanist with a particular interest in trees and shrubs. I enjoy pressing and mounting plant specimens.

Applicants are encouraged to upload a resume, accepted file types are listed below.
