RE: Requested Street Closures at Court St. & Adams St., June 2nd, June 16th and July 14th

Dear Natick Select Board,

The Natick Center Cultural District is planning a variety of cultural and artistic events this summer, some elements of which we are asking for your approval.

On June 2nd, June 16th and July 14th from 5 to 7:30 pm Natick Nights will take place throughout Natick Center. We are requesting your permission to close Adams Street and part of Court St. (from Main St. to the exit of the Middlesex Bank ATM) for music and food activities, including tables and chairs for people to eat and drink from 5:00 – 8:30 pm for the events.

Lieutenant Lauzon has been consulted has reviewed and given his approval of the location and events if all buildings are accessible in case of an emergency, any tenants and businesses are notified of the closures and street barriers can be easily moved, if needed.

The NCCD is looking forward to hosting this event and we would be grateful for the Select Boards continued support of our initiatives.

Thank you for your consideration.

Sincerely,

Athena Pandolf
Executive Director
