Joan,

At this time, we would be comfortable recommending initial approval by the Select Board on this initiative as we have been working with Athena and the Natick Center Cultural District group in planning for these dates. Road closures and detours will need to be flexible depending on what is occurring on a particular date and approval of other permits.

Respectfully,

Lt. Brian G. Lauzon

Hi Joan,

Hope you're well and having a good week so far.

I wanted to see if I could get this street closure on the Select Board agenda next week?

Thank you and please let me know if you have any questions.

Athena
