Interests & Experiences

**Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?**

---

I feel I would be a strong board member of the council on aging because as an adminstraor in a skilled nursing facility I would very closer with older adults, actively listen to what they need. Older adults relish independence more than anything. I am hopeful that the council could enhance its support of elder adults in the community by providing services, information and events so that they can continue to thrive and feel a greater sense of community belonging.
