Joan,

Regarding the Food Truck, if it isn't located within the closed Block Party area, and potentially open to other neighbors in the area, or the public, it may need permits from other departments.

After review we would recommend approval with the following stipulations:

- Public Safety Dispatch (508-647-9500) to be notified when the roadway is going to be closed, and again when it is re-opened. All roadways shall be opened no later than 8pm.
- Nothing be erected or placed in the roadway that cannot be easily removed in the event an emergency response is needed
- Residents in the affected area to be notified in writing prior to the event date
- Nothing be placed on, or around a fire hydrant that cannot be easily moved. Fire hydrants shall not be blocked.
- Fern Street to be closed at Proctor Street and again Fiske Street .

Additionally:

- Traffic cones and/or barricades may be checked out from Police Headquarters the morning of the event, and returned immediately following.

Reminder:

- All laws relative to alcoholic beverages including the possession/carrying of same remain in effect.

Respectfully,

Lt. Brian G. Lauzon

Hi Joan,

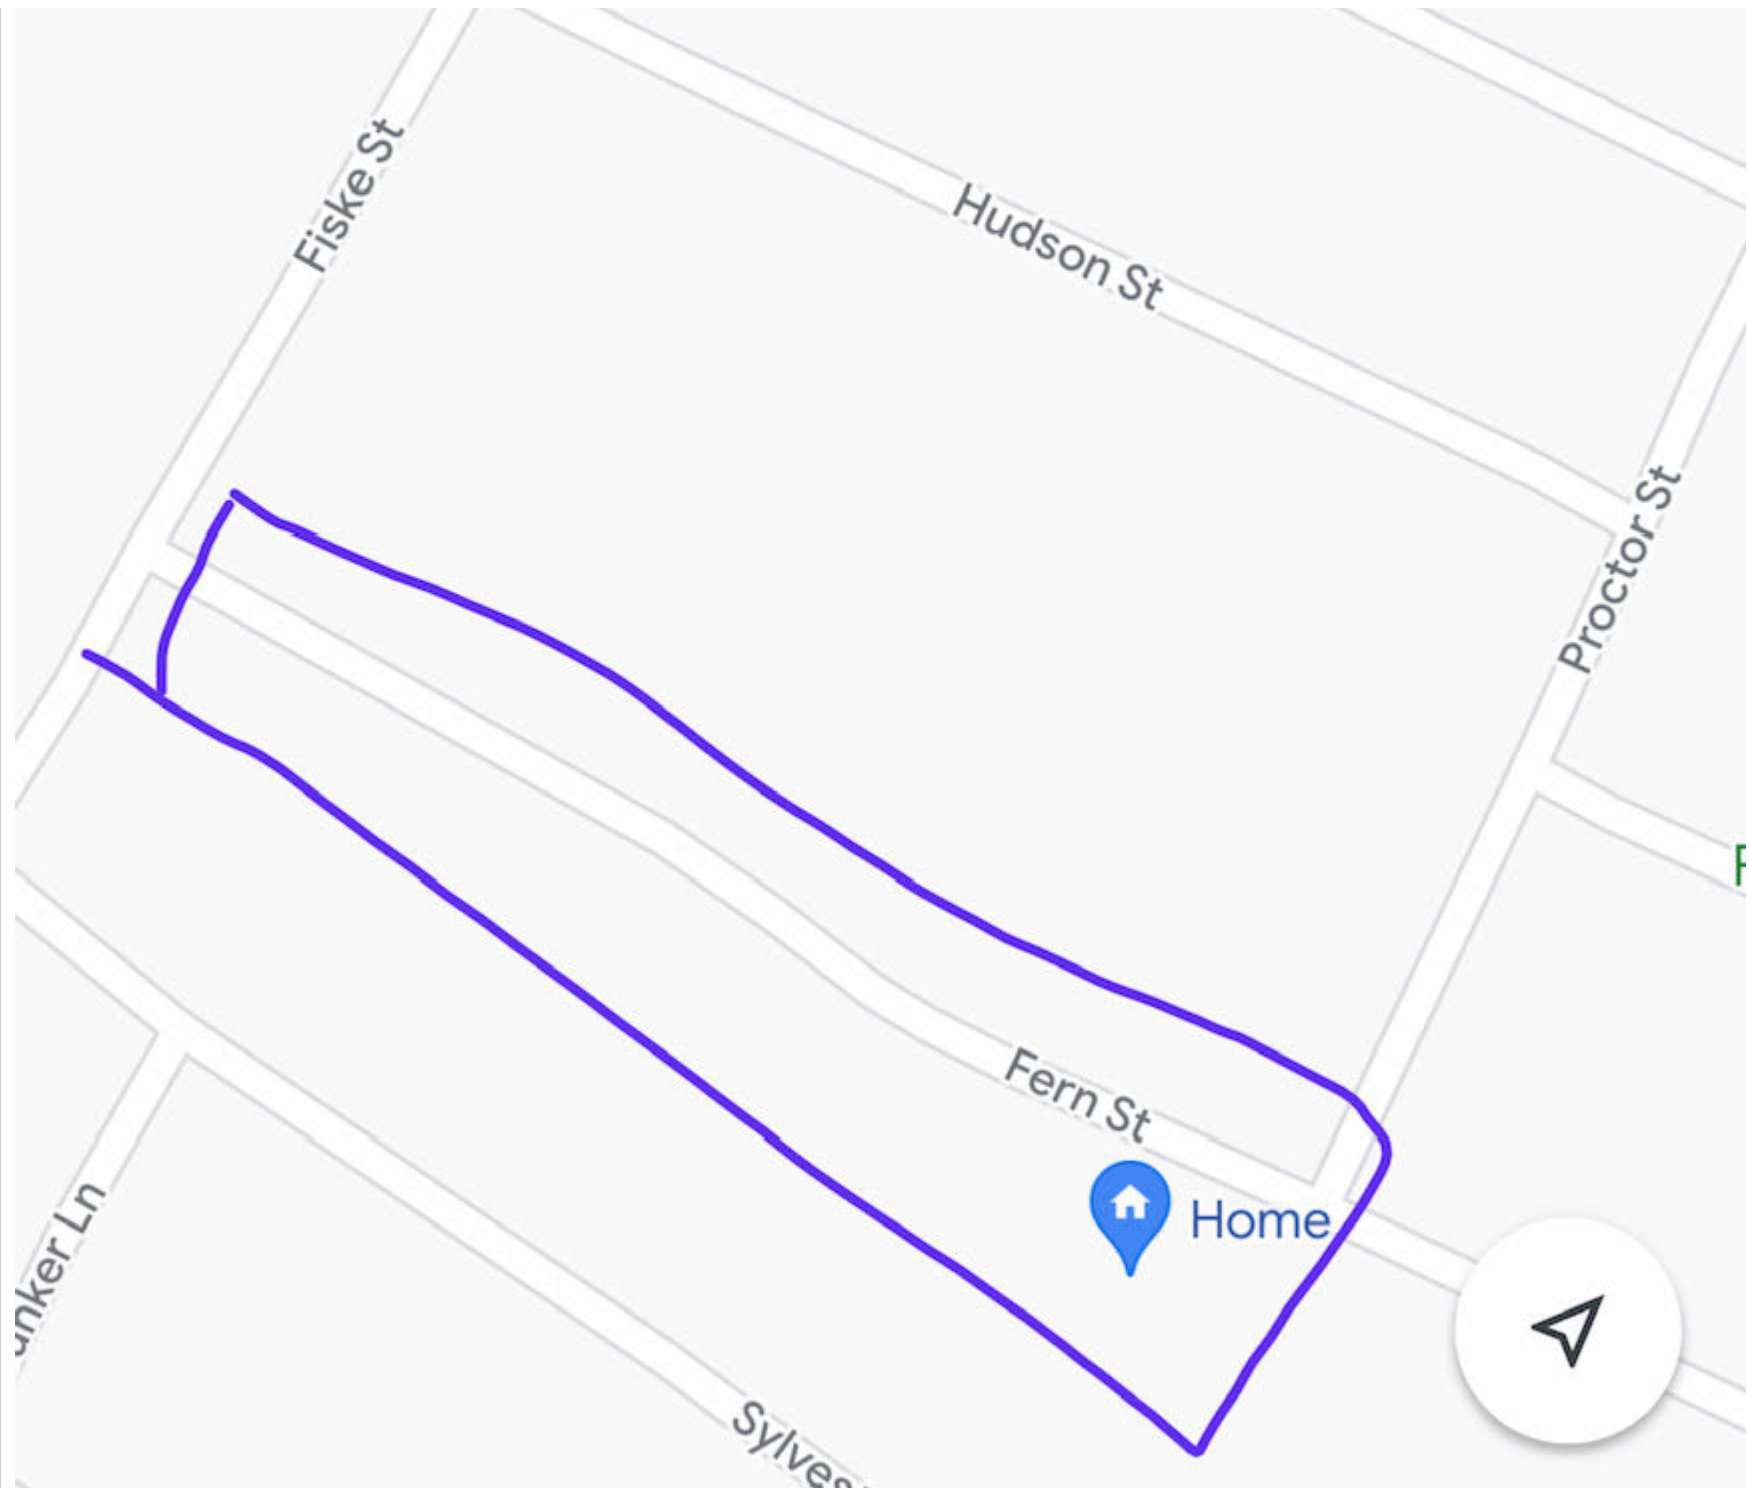

Thanks for getting back to me. I'm including a picture of the area I'd outlined in my previous email. Hopefully it is helpful!

Last years block party drew around 100 people at the peak.

Happy to answer any more questions that may come up.

Thanks again,
Karina

Hi Karina,

I am responding to your request for block party.

I need to send this to the police department first for their review and pre-approval. When you say " The second block of Fern St, intersection of Proctor Street and Fern St to Fiske St and Fern, is the street we would like to barricade off"

Will the police department understand exactly what you are looking to block? I don't live in this town but it sounds a bit confusing to me. You are only allowed to make a suggestion as to where you would like to block the street, the police department have the final say in where you are allowed to place a barricade as emergency vehicles need to be able to make entry into any area during an emergency.

Also, how many guests are you expecting?

Request: Neighborhood block party

Dear Natick select board,

I am seeking permission to hold a block party on Friday, June 24th, 2022.

The block party would start at 3:30 pm, and will run until 8pm. The second block of Fern St, intersection of Proctor Street and Fern St to Fiske St and Fern, is the street we would like to barricade off.

We will be asking a food truck to park before Proctor Street. Neighbors have been consulted via Facebook but an official letter will also be sent.

Please let me know if there are any forms I need to fill out.

Thank you,

Karina Carr
