Joan, upon review we would recommend that the Select Board approve this long standing event that has occurred in a short segment of Natick. No police services are being requested and, as in past years, we will monitor the ride with on-duty resources.

Respectfully submitted,

Lt. Brian G. Lauzon

Hello Joan:

For the past 25 years, participants and volunteers have joined the Massachusetts/Rhode Island Chapter of the Cystic Fibrosis Foundation in support of the CF Community for the CF Cycle for Life. We are truly on the road to a cure this dreadful disease and appreciate your past support for the event.

Our ride travels through 10 metro-west towns including Natick. I've attached the official letter of request and the cue sheets.

We look forward to hearing back from you regarding additions steps required for the approval process. Thank you for your thoughtful consideration and assistance.

Gratefully,

*Terry Waite*
