Dear Town of Natick,

The neighbors of Fern Street agree to the proposed Fairview Terrace street acceptance plan on the condition that a sidewalk is not added to the section of Fern Street between Proctor and Moore Street. Our street is quiet with very few cars, and we feel safe walking on the side of the street. A sidewalk would take away from the overall appearance of the properties and cause disruption of driveways, lawns, and sprinkler systems. We would very much appreciate your consideration of this proposal and welcome a further discussion.

Thank you,

Neighbors of Fern Street
